

Lumineia Carpet

BJ-LAFIB

Shine your light

Optic fiber carpet which creates a magic effect with its shiny fabrics. A great visual and tactile experience.

Interact with light as never before

Our **Lumineia carpet** can be used along with a [6 button](#), a [giant die \(Sensory Cube\)](#), a [colored mat \(Sensory Step\)](#), the [switch](#) that you want, or even with the [Lumineia App](#) (available for downloading) to control the colors of the carpet in a unique way.

Lumineia App **allows the user to control one or several Lumineia devices** and also **includes dozens of built-in activities**. The interactivity of the App helps us to achieve diverse therapeutic and/or educational objectives. Use the fun and creative activities we have provided or easily create your own activities with this App. It's limitless!

Multiply its possibilities

Besides being part of a small sensory room, **Lumineia carpet** can also be part of the [SHX System](#) as part of a more complete **multisensory environment**, which multiplies the interactive possibilities within an integrated system that incorporates the remaining devices within the room, **including projection, sound**, vibration, etc. All the functionalities that the SHX system offers, such as **voice control, eye gazing**, use of various controllers including the SHX Mat, SHX Die, Button 6 and other access devices are also possible with our Lumineia carpet.

Find out more about **SHX Sensory Rooms** and the authentic immersive experience by clicking [here](#).

► Download now our [Multisensory Catalogue](#) and discover sensory rooms as you never imagined.
