

Luminea Fountain

BJ-LDFIB

Stunning light effect coming from the sky

The fibre optic cascade amazes us with its **lighting effect, whether we are sitting or standing.** It stimulates **proprioception** and **body awareness.** Contact with the optical fibres helps us to perceive different parts of **our body**. Ideal for learning **cause and effect**, recognizing **colors** and activities that encourage **communication**.

The fibre optic cascade can be suspended from the ceiling to form a circle, curtain or beam shape. Supplied with 200 x 3 m fibre optic strands, **light source and ceiling mount.**

Interact with light as never before

Our **Luminea fountain can be used along with a** 6 button**, a** giant die **(Sensory Cube), a** colored mat **(Sensory Step),** the switch that you want, or even with the **Luminea App** (available for downloading) to control the colors of the fountain in a unique way.

Luminea App **allows the user to control one or several** Luminea devices and also **includes dozens of built-in activities**. The interactivity of the App helps us to achieve diverse therapeutic and/or educational objectives. Use the fun and creative activities we have provided or easily create your own activities with this App. It's limitless!

Multiply its possibilities

Besides being part of a small sensory room, **Luminea fountain** can also be part of the **SHX System** as part of a more complete **multisensory environment**, which multiplies the interactive possibilities within an integrated system that incorporates the remaining devices within the room, **including projection**, **sound**, vibration, etc. All the functionalities that the SHX system offers, such as **voice control**, **eye gazing**, use of various controllers including the SHX Mat, SHX Die, Button 6 and other access devices are also possible with our Luminea fountain.
