

Luminea Fountain

BJ-LDFIB

Stunning light effect coming from the sky

The fibre optic cascade amazes us with its **lighting effect, whether we are sitting or standing**. It stimulates **proprioception** and **body awareness**. Contact with the optical fibres helps us to perceive different parts of **our body**. Ideal for learning **cause and effect**, recognizing **colors** and activities that encourage **communication**.

The fibre optic cascade can be suspended from the ceiling to form a circle, curtain or beam shape. Supplied with 200 x 3 m fibre optic strands, **light source and ceiling mount**.

Interact with light as never before

Our **Luminea fountain** can be used along with a [6 button](#), a [giant die](#) (**Sensory Cube**), a [colored mat](#) (**Sensory Step**), the [switch](#) that you want, or even with the [Luminea App](#) (available for downloading) to control the colors of the fountain in a unique way.

Luminea App **allows the user to control one or several Luminea devices** and also **includes dozens of built-in activities**. The interactivity of the App helps us to achieve diverse therapeutic and/or educational objectives. Use the fun and creative activities we have provided or easily create your own activities with this App. It's limitless!

Multiply its possibilities

Besides being part of a small sensory room, **Luminea fountain** can also be part of the [SHX System](#) as part of a more complete **multisensory environment**, which multiplies the interactive possibilities within an integrated system that incorporates the remaining devices within the room, **including projection, sound, vibration, etc.** All the functionalities that the SHX system offers, such as **voice control, eye gazing**, use of various controllers including the SHX Mat, SHX Die, Button 6 and other access devices are also possible with our Luminea fountain.

Find out more about **SHX Sensory Rooms** and the authentic immersive experience by clicking [here](#).

➤ Download now our [Multisensory Catalogue](#) and discover sensory rooms as you never imagined.
