

Luminea Lamp

BJ-LLAMP

Amazing multi-coloured lamp

This incredible lamp changes color in coordination with the SHX System. Its powerful, blurred light creates an effect that captures the attention and creates a very special ambiance.

Interact with light as never before

Our **Luminea lamp can be used along with a** 6 button**, a** giant die (Sensory Cube), **a** colored mat (Sensory Step)**,** the switch that you want, or even with the Luminea App (available for downloading) to control the colours of the lamp in a unique way.

What makes this amazing App even more attractive is that it **allows the user to control one or several** Luminea devices and also includes dozens of built-in activities. The interactivity of the App helps us to achieve diverse **therapeutic and/or educational objectives.** Use the fun and creative activities we have provided or easily create your own activities with this App. It's limitless!

Multiply its possibilities

Besides being part of a **small sensory room,** Luminea lamp can also be **part of the SHX System** as part of a more complete multisensory environment, which multiplies the interactive possibilities within an integrated system that incorporates the remaining devices within the room, including projection, sound, etc. All the functionalities that the SHX system offers, such as **voice control**, **eye gazing**, use of various controllers including the SHX Mat, SHX Die, Button 6 and other access devices are also possible with our Luminea lamp.
