

Lumineia Pool

BJ-LPIS

Change the colors of this lighted ball pool

Dive into the magical fun of a pit full of balls that change color. Allow yourself to be surrounded by and wrapped in colored light while you play and learn without realizing it. Ball pits are ideal for stimulating proprioception, self-awareness and movement.

Interact with light as never before

Our **Lumineia pool** can be used along with a [6 button](#), a [giant die](#) (Sensory Cube), a [colored mat](#) (Sensory Step), the [switch](#) that you want, or even with the [Lumineia App](#) (available for downloading) to control the colours of the pool in a unique way.

What makes this amazing App even more attractive is that it **allows the user to control one or several [Lumineia devices](#)** and also includes dozens of built-in activities. The interactivity of the App helps us to achieve diverse **therapeutic and/or educational objectives**. Use the fun and creative activities we have provided or easily create your own activities with this App. It's limitless!

Multiply its possibilities

Besides being part of a **small sensory room**, Lumineia pool can also be [part of the SHX System](#) as part of a more complete multisensory environment, which multiplies the interactive possibilities within an integrated system that incorporates the remaining devices within the room, including projection, sound, etc. All the functionalities that the SHX system offers, such as **voice control**, **eye gazing**, use of various controllers including the SHX Mat, SHX Die, Button 6 and other access devices are also possible with our Lumineia pool.

Find out more about **SHX Sensory Rooms** and the authentic immersive experience by **clicking [here](#)**.
