

Luminea Curtain with swing arm

BJ-LCFIBS

Illuminate your room with this curtain

The fibre optic cascade amazes us with its lighting effect, whether we are sitting or standing. It stimulates **proprioception and body awareness**. Contact with the optical fibres helps us to perceive different parts of our body. Ideal for learning cause and effect, recognizing colors and activities that encourage communication. Supplied with 2 metres long, light source and ceiling mount.

Interact with light as never before

Our **Luminea fiber curtain** can be used along with a 6 button, a giant die (Sensory Cube), a colored mat (Sensory Step), the switch that you want, or even with the **Luminea App** (available for downloading) to control the colors of the curtain a unique way.

What makes this amazing App even more attractive is that it **allows the user to control one or several** Luminea devices and also **includes dozens of built-in activities**. The interactivity of the App helps us to achieve diverse therapeutic and/or educational objectives. Use the fun and creative activities we have provided or easily create your own activities with this App. It’s limitless!

Multiply its possibilities

Besides being part of a small sensory room, **Luminea curtain** can also be part of the **SHX System** as part of a more complete **multisensory environment**, which multiplies the interactive possibilities within an integrated system that incorporates the remaining devices within the room, **including projection**, **sound**, vibration, etc. All the functionalities that the SHX system offers, such as **voice control**, **eye gazing**, use of various controllers including the SHX Mat, SHX Die, Button 6 and other access devices are also possible with our Luminea curtain.
