

Curved bar for bubble tube circular bases - 30cm

BJ-EPS30

Curved pieces that can be used as steps or seat for accessing to the bubble tube circular bases

Thanks to its low height, these foam modules in the shape of stairs are ideal for children in early years, who can approach to the bubble tube just by crawling or climbing, and interact with the tube in an easy, safe way.

You can choose among a wide colors range, depending on your room.

Can be combined with reference BJ-EPS30, to play with different sizes and ladder structure.

Dimensions

- 16cm in height, 105cm wide, 30cm in depth
